# **Emergency Modular LED Luminaire**

## Specification:

Main Body:

Marine Grade Aluminium

Diffuser:

Polycarbonate

Gaskets:

Silicone

**External Fasteners:** 

A4 Stainless Steel

Stirrup Bracket:

316 Stainless Steel

Weight:

9.0kg per module

### **Key Features:**

- Battery back up power provides 3 hours at 50% illumination, 90 minutes at full illumination.
- Modular construction allows the modules to be supplied interlinked with each other to provide greater light output.
- Can be used as a single unit small floodlight or bulkhead or linked together to replicate a large 250W/400W floodlight.
- Can be supplied in multiple configurations of standard or emergency modules.
- Each module utilises 48 off 1.2W LED's
- Integrated power supply.
- · Low power consumption.
- Rugged construction resistant to vibration.
- Independently photometrically tested.
- All units supplied with 2 cable entries. Additional entries available on request.
- IP66 and IP67

- Optional wire guard available for extra protection.
- Narrow, Medium, Wide and Extra Wide beam light output available.
- Multiple mounting options available.

#### In comparison to typical floodlights:

- 70% less weight.
- 50% less power consumption.
- One man installation.
- LED technology will give a predicted lamp life of 10 years+.
- · No light pollution.
- Instant start and restrike.
- No light degradation at low temperatures.
- Penetrating white light.
- · Photocell option available.
- Low cost of installation, operation and maintenance.

# **Emergency Modular LED Luminaire**

#### Protection:

IP66/67

### **Electrical Specifications:**

	Electrical Specification		
Lamp Options	Power consumption	Power factor	Available power supplies
48 x 1.2W LED's	70W Max		
96 x 1.2W LED's	140W Max	0.95	110V – 240V 50/60Hz AC only
144 x 1.2W LED's	210W Max		

#### Installation:

Terminals: Up to 4mm<sup>2</sup> terminals for live, neutral, earth and looping are provided. Internal and external earth as standard.

Cable Entries: 2 x M20, one fitted with stopper plug, other entries available on request
